

# Environmental Education Training

## Wolf Creek National Fish Hatchery Workshop Series

**WHAT:** Educator Training on Climate Change: Science, Action and Engagement!

**Climate Change: Global Connections and Sustainable Solutions**

This 6 hour workshop, facilitated by Facing the Future (<http://www.facingthefuture.org/>), is designed for 6-10th grade educators (but others are welcome) who are interested in building in science, social studies, math, and governance lessons about climate change into their classrooms. This workshop will teach you ways to engage students in understanding climate change from multiple perspectives and empower them to create their own solutions. This session will also provide hands-on, interactive lessons for teachers to take part in and learn the science teaching skills and content knowledge necessary to teach about climate change and its interconnections to the environment, society, and the economy.

**WHEN:** Wednesday, June 30<sup>th</sup>, 2010  
9:00am – 3:30pm CST

**WHERE:** Wolf Creek National Fish Hatchery  
50 Kendall Road  
Jamestown, KY 42642

**COST:** \$10 – Fee includes all programming, materials, curriculum guide, lunch and snacks.

**CONTACT:** Amanda G. Patrick, Environmental Education/Outreach Specialist,  
270-343-3797 or via email: [Amanda\\_Patrick@fws.gov](mailto:Amanda_Patrick@fws.gov)

**REGISTRATION:** Please complete the form below and mail it along with your registration payment to the address shown. Checks should be made payable to “Friends of Wolf Creek NFH.” **\*\*Registration deadline is Tuesday, June 22<sup>nd</sup>, 2010.**

*Wolf Creek National Fish Hatchery is proud to sponsor educational workshops that help our community learn more about our incredible natural heritage. For information on other programs at the hatchery, or how you can be involved as a volunteer, please contact us!*
