

Introduction to Fly Fishing and Fly Tying

Wolf Creek National Fish Hatchery Workshop Series

Have you ever wanted to learn the basics of fly fishing? Are you a beginner with no previous experience? If so, here is an event for you!

Wolf Creek National Fish Hatchery is proud to sponsor educational events that help our community learn more about our incredible cultural and historical heritage. For information on other programs at the hatchery, or how you can be involved as a volunteer, please contact us!

WHAT: Have you ever wanted to learn the basics of fly fishing and fly tying? Are you a beginner with no previous experience? If so, here is an event for you! Join members from the Louisville, KY chapter of Trout Unlimited for a great morning of introductory fly tying along with some great hands on fly fishing experience! You'll enjoy a fun-filled morning of learning all the basics from some great instructors.

River conditions permitting, this workshop will allow you time with your instructors on the river, so attendees should bring their own fly fishing gear (if you have it) along with chest waders. Kentucky fishing regulations will also apply, so if you do not already have a license, please make plans to purchase the morning of the event at the hatchery Visitor/Environmental Education Center.

Registration is limited to the first 15 who register, so please fill out the form below to secure your spot. Lunch will also be provided for all participants.
