

# Environmental Education Training

## Wolf Creek National Fish Hatchery Workshop Series

*Wolf Creek National Fish Hatchery is proud to sponsor educational workshops that help our community learn more about our incredible natural heritage. For information on other programs at the hatchery, or how you can be involved as a volunteer, please contact us!*

**WHAT: Project WET (Water Education for Teachers) and WOW! (Wonders of Wetlands)**

Since 1984, Project WET, an award-winning 501(c)(3) nonprofit organization, has dedicated itself to the mission of reaching children, parents, teachers and community members of the world with water education. Combined with WOW!, which features over 50 multidisciplinary activities correlated to National Science Standards, you won't want to miss these two wonderful curriculums! Leave this workshop with activities you can do with your students to better their understanding of the ecological function and value of wetlands, the importance of water, conservation, etc and ways to promote informed decision-making regarding wetlands. It's sure to be a fun-filled day of hands on learning and is suitable for a wide audience, including teachers, 4-H leaders, Boy/Girl Scout leaders, etc.
